

**Difference:**

- a) Mineralization Vs immobilization
- b) Surface soil Vs Sub-surface soil
- c) Organic Vs Inorganic colloid
- d) Bulk density Vs Particle density
- e) Structure Vs Texture
- f) Primary Vs Secondary mineral
- g) 1:1 Vs 2:1 clay mineral
- h) Illuviation Vs Eluviation
- i) Capillary water Vs gravitational water
- j) Heavy Vs Light mineral
- k) Infiltration Vs Percolation
- l) Soil flora Vs Soil fauna
- m) pH Vs pF scale
- n) Rock Vs mineral
- o) Vertical flow Vs Horizontal flow of water
- p) Pedological approach Vs Edaphological approach
- q) Podzolization Vs Laterization
- r) Commensalism Vs Ammensalism
- s) Mutualism Vs parasitism
